

EDITH S. LICHLITER
SALISBURY, PENNSYLVANIA

March 27-39

Mr. & Mrs. Alts Youkin,

Dear Cousins,

First, I want to tell you how much I appreciated your Christmas greeting to me. I was pretty blue at that time, as my youngest sister was very ill. She has been an invalid for three years, has a heart condition, and over Christmas time we had to have a nurse to help me. Now I am doing it alone.

You always seem so interested in the Lichliter Family whose ancestors were Levi & Katie. So I wanted to write and tell you that I just recently got in touch with one of them.

We have friends in Kansas City and they saw an announce-

of a Miss Lichter's wedding and they cut the clipping out and sent to me, the father, was L. S. Lichter, so I wrote to the gentleman to see if he was one of us, and he wrote me the nicest letter and told me just where he belonged. His name is Levi Leroy Lichter and he is the oldest son of Norman B. L. he said he was born in Somerset County and they moved west when he was just a little boy, he said his father died several years ago at the age of 87, and is buried in Los Angeles Cal. His uncle Milton died in Joplin Mo, and Marcellus in Hannibury in 1917, These were the three sons of Levi who is buried at Wesley Chapel and Katie in Uxiana. He says he has three sisters and one brother all living in or near Joplin Mo. His address is 3721 Holmes St. Kansas City Mo. He says he has been working for Ginn & Co for 25 years, sells books to Colleges & High schools. He has one son Levi L. Jr. who is employed by the Government a daughter Mary Elizabeth who recently married a teacher in University of Ill, and Katharine Valeria who is a junior in University of Illinois at Urbana. He says he has never been back to his birthplace, He told me his

mother, Rebecca, died one year
after they went west, I took it
that Norman was married again.
Do you know who this Rebecca
was before his marriage to Norman?

I take it that he is related
to you through his Grandmother
as he is to me through his grand
father.

I just sent in my dollar to-day
for the Yukon Bulletin. What was
the name of the road you travel
on from Kingwood to Peter Junkin's? The
man who has the first Lebelite's
deeds, I want to go there some time.

I surely do enjoy the reunion. My
brother's family always say "that is
Aunt Edie's big day." They always ar-
range to take me when I can leave
my sister. I had a nice letter from
Henry J. and wife after the reunion. We
are quite numerous. I think I could write
a history of Henry J.'s family some time for the
Bulletin. With kindest regards.
Sincerely Edith Susan Lebelite
