Mr & Mrs Otto Younklin
Cousins? but how.

Why are you people so silent? we haven't
seen or heard from you since the Sunday we were out.
Have you gotten any more important information?
Chas made a trip to Green County several Sundays ago to
hunt up Geo Younklin's grave he was a brother of my grand-
father Chas. but he couldn't find it but found his son Chas
L. Younklin died Oct. 14, 1872 aged 5-7 yrs, 2 months, 3 days, his
wife Nancy died Dec. 13, 1889, aged 77 yrs, 11 months, 1 day. This is
the father and mother of Jefferson Younklin who died in Washington
Pa some few months ago.
The Chas. is trying to find the farm where Chas L. lived when
he first went to Green County and maybe he can find Geo's
grave in a cemetery near by.

do you or your mother know anything about the Lila or Leilab
farm who owned it before she did? she was the mother of W^m L.
who is still living.

Does your mother know anything about Yankee John Younklin or where
he is buried? he is supposed to be the grand father of W^m L. I think
we maybe might be related to him (maybe) we don't know where we
belong but we know we are here.

I have heard Papa say more than once about his ^{grand} father and
brothers coming to Somerset Co. and that is where Papa was
born, also his father.

you had better answer Chas. letters as
he is about ready to resign he hasn't
heard from you since the Reunion.

tell how did the Election come out?
I tried to watch the Crille paper to see
but didn't see anything.

Chas and Mrs. Shepard were up to see us
two weeks ago this coming Friday night they
are all well.

We are all well at our house, Edwards
mother had been having trouble with her
back she could hardly get up or down but
is much better now.

I got a tooth pulled yesterday so my jaw
is a little tender but not sore.

I hope you folks are well.

Your Cousin?

do you know if there is a cemetery on
the Leilab Younkia farm? would it be
near where your mother lives? if so
maybe sometime when you are up
there you can visit it,

I wrote to Grant Inel of Somerset a distant
cousin of mine and ask him if he had ever
heard Aunt Jane Papa's sister talk of her
grand parents he said he heard her say her
father Charles and his father were the first
to settle in south-western corner of Somerset
Co. and maybe if we visited Scallton Cemetery
we might get some dates, he thinks my
Grandmother Jane Johnson Younkia was a
daughter of M^{rs} Johnson but doesn't know
where they would be buried.

I just received this letter yesterday
A.M. so we haven't had time to investigate
