Dear Friend
Otto

give an account
of yourself, and a good one at
that. Where in the heck were
you on Sunday last, a small
group were present and we all
had a fine time, say how would
you like to make a visit to Ohio
to see our good friends Fred his
dad Horton, and his brother at
Ashville, if you think we owe
them this courtesy, and if in the
next few weeks, while the weather
is fairly good, I am on say the latter
part of Oct start Friday after noon,
so we can spend Saturday and up
to Sunday noon, let me know what
you think of it yours
Chas. Younkin
