FAMILY RECORDS

JOHN J. YOUNKIN --- family Bible.

This Bible is now in the possession of Colwell Younkin, Confluence Pa. He secured it from John F. Younkin of Paddytown Pa., who in turn secured it from his father Harmon Younkin, who secured it from his father John J. Younkin. Therefore it not only contains the John J. record but also that of Harmon and his wife. The following record was copied by the author from the Bible in Oct. 1934. ()-Indicates that this was not in the record but supplied from authentic sources.
